➤ **Errata for Journal of Applicable Chemistry, 2013, 2(3): 492-501**

We, the authors of research paper entitled, "Studies on Decolourisation and COD Reduction of Dye effluent using advanced oxidation processes", published in the current volume of your Journal request to withdraw the said paper as one of the co-author of the paper has already got it published in some other Journal (*Elixir Chem.Engg.*53(2012) 11983-11987). All this was happened inadvertently because of communication gap between me and my co-author. So, we apologise for this mistake and request you to withdraw our paper. Inconvenience caused to you is highly regretted.

Dr. Sangeeta Sharma
(Author of the Paper)
