➤ International Conference on Applied Chemistry (ICONAC)

INTERNATIONAL CONFERENCE ON APPLIED CHEMISTRY (ICONAC) to be held on **5-7 March 2014** at Fiji National University (FNU), Suva, Fiji. The major aim of the conference is to provide a forum for scientists, teachers, and students from all over the world to participate in and discuss the recent developments in chemical sciences, promote the exchange of ideas, and create an opportunity for budding young scientists to get exposed to the excitement of research in chemistry.

➤ 3rd Biotechnology World Congress

3rd Biotechnology World Congress" (3rd BWC) to be held in Dubai, UAE, from **February 10th-12th, 2014**. The **3rd BWC** will be unique in promoting the translational nature of modern biotechnological research, with emphasis on both the basic science in industry and academia as well as its practical and clinical applications.
