

Journal of Applicable Chemistry

2017, 6 (2): 338-339

(International Peer Reviewed Journal)

Seminars & Conferences

➤ **National Seminar on Solid Waste Disposal and Management to protect Environment: Wealth from Waste Organized by Journal of Applicable Chemistry (www.joac.info) and Sri Siddhartha Pharmacy College, Nuzvid on 4 June, 2017**

National Seminar on Solid Waste Disposal and Management to protect Environment: Wealth from Waste will be conducted in connection of i) Completion of 70 years of Eminent Environmentalist ii) Completion of 10 years of establishment of Sri Siddhartha Pharmacy College, Nuzvid and iii) Completion of 5 years of Bi-monthly Peer Reviewed Online International Journal, Journal of Applicable Chemistry. The Seminar will be Organized by Journal of Applicable Chemistry (www.joac.info) and Sri Siddhartha Pharmacy College, Nuzvid to be held on 4 June 2017 at Sri Siddhartha Pharmacy College, Nuzvid

The Abstracts are invited from students, Scholars, Staffs from Universities, all Colleges including Degree, Engineering, Medical, Pharmacy and Industries. Abstracts after scrutiny will be published in Volume 6 and Issue 4 of Journal of Applicable Chemistry (Available on 27th July) and Best Paper will be published a free of cost in the same.

No Registration fee for the Conference. Tea and Working Lunch is Provided to all delegates.

➤ **Two Day International Conference on Energy, Environment and Advanced Materials for a Sustainable Future (ICEEAMSF) to be held during 23-24 May 2017 at Kongu Engineering College, Erode, India**

Department of Physics and Chemistry, School of Science and Humanities, Kongu Engineering College is organizing a Board of Research in Nuclear Sciences (BRNS) and Council of Scientific and Industrial Research (CSIR) sponsored two day international conference on “ENERGY, ENVIRONMENT AND ADVANCED MATERIALS FOR A SUSTAINABLE FUTURE (ICEEAMSF-2017)” during 23-05-2017 and 24-05-2017. This conference will mainly emphasize the recent developments in the domains of energy and environment. The technical sessions of the conference is comprised of eight invited talks and oral/poster presentations.
