Venue

SVRM College, NAGARAM, Andhra Pradesh (India)

For Circulation among Teachers, Researchers and Scholars

### Scope of Conference

Papers are invited for Oral and Poster presentation from Academic/ Research Institutes/ Industrial laboratories in

- Environment monitoring
- Bio-Chemical methods of protection of Environment
- Solid Waste Management
- Industrial Chemistry
- Chemical Biology
- Medical Chemistry
- Green Chemistry
- Nano Chemistry
- Computational quantum Chemistry
- Pharmaceutical Chemistry
- Agricultural Chemistry
- Biochemical Methods of Plastic Waste utilisation
- Economics of Waste Management

### About College

This College is one of the post-graduate colleges of Acharya Nagarjuna University, located in Nagaram with a residential campus of 27 Acres with high academic standards. It is in the rural area located at a distance of 60 Kms from Guntur city. About fifty years ago another lamp of knowledge was lit here. On 7<sup>th</sup> September 1970, Sri V.V.Giri, President of India visited Nagaram and laid foundation stone for the college. This venture was in a remote village of hardly a thousand thatched houses, in the corner of Repalle Taluk, Guntur District. It was named after Late Sri Velagapudi Ramakrishna, one of the pioneer industrialists of Andhra Pradesh. The impulse behind it was the faith that every human being has an inalienable innate strength to be molded through education. Sri Ramakrishna and his family offered a magnificent endowment to shape the college.

### Journal of Applicable Chemistry

Journal of Applicable Chemistry was started in the Year 2012 under the stewardship of Professor Kaza Somasekhara Rao, as Editor-in Chief. It is an interdisciplinary **Online International Peer Reviewed Bi-Monthly**

**Journal.** This journal publishes reviews, research papers, short communications, research pedagogy, chemical education and AAA (Advancement Application Announcement) in chemical sciences.

The motto of **Journal of Applicable Chemistry** to dissipate the results in electronic format available on web to bring ultimate application of the research results, innovative production techniques and faster creative thinking in cross disciplinary areas to large number of academicians and researchers. The inner life-line of the Journal is to uplift the Globe through chemistry in action. This Journal, dedicated to Smt. Kaza Indira Devi, Crossed Six years successfully.

### Registration Fee

Research Students (Indians)	:	<b>Rs.1000/-</b>
Academic Staff (Indians)	:	<b>Rs.2000/- with Accommodation at Tenali</b>
Delegates from Industry	:	<b>Rs.2500/- without Accommodation</b>
